STATUS REQUEST

Sir:

This application is under final rejection, Office Action dated April 21, 2004.

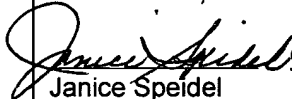

A response to the Office Action was filed on July 12, 2004. No PTO paper has been received by applicant since. This will confirm a telephone conversation with the above Examiner on August 16, 2004. An attorney in the undersigned's office, Mr. A. Grant, received a call from the Examiner on August 16, 2004 stating that the final rejection is being withdrawn and either a new non-final Office Action or a Notice of Allowance would issue within two weeks. Mr. Grant was told that applicant should not do anything further until that paper from the PTO is received.

It has been close to three months since that response was filed, almost two months from that call and applicant is yet to receive a paper from the PTO confirming that telephone call. This application should not be abandoned by the PTO for the above reasons.

FIRST CLASS CERTIFICATE

I hereby certify that this correspondence is being deposited today with the U.S. Postal Service as First Class Mail in an envelope addressed to:
